GTA: Liberty City stories action adventure game, funny storyline, rich gameplay and a huge world of freedom to explore. The main role in the game, you can equip props without attributes, without skills. Tony can save an ambulance in the game, police and taxi driver.-ApkAward.com In the game players will receive vehicles, motorcycles, planes and ships and other vehicles. Carriers without classification, without strengthening. The car itself has durability, collision volume and has corresponding passenger capacity. When the player is in the vehicle, all attacks will be borne by the vehicle. The control interface of the game has two common interface and driving interface, simple interface, players can walk only, you can enter the mission and freedom of attack. Driving interface, players can manipulate vehicles, motorcycles, planes and ships and other vehicles, you can freely shoot on both sides. Under normal circumstances, the player cannot drive the vehicle on the mission. Villefranche's time varies. Mugsto, day to day, night, rain, thunder, lightning, etc. are the usual natural phenomena that change every day. Time on the role of activities, the plot has no effect. In this game, the combat system is a mission mechanism that allows you to fight in missions or fight without tasks. Everyone has the same health value. When a bullet fired from a weapon fires at the enemy, it inflicts damage on the enemy. The game has a combat mission if these tasks begin, i.e. to determine the beginning of the fight if the attack against the respective enemy or to complete the respective target, that is, to determine the end of the battle. Game lock settings make the game more mature with fighting, shooting, fighting skills and weapons. The game's combat system determines reasonable, conventional battles, such as cannon battles, the use of bunkers to attack the enemy. The use of fists, baseball bats and other melee weapons to attack the enemy. The car has always been the main feature of this series of games, players can get into the vehicle, the main character in the car, all attacks will be borne by the vehicle. The vehicle can move the enemy can not squeeze the ground to move. The characters in the vehicle can be freely fired from both sides, but they cannot close the battle. In addition to some special vehicles comes with heavy machine guns, missiles, other vehicles are not weapons; In addition to some of the system-related vehicle warfare can use other weapons, the war vehicle are submachine gun, get off the prop column All weapons in it. To win in a car war to master the skills, hit the tail of the other vehicle to make it out of control; forced to stop in the corner of other vehicles continue to affect their durability decreases, the last vehicle to the war on the vehicle. GTA's mission: Liberty City stories involve many protagonist tasks. One of the main tasks is to have optional regional tasks, to increase the number of and freedom. Some of the details before the mission don't seem important, such as whether to go to a gun store to buy a gun before you start with some preparation, but those details may determine the success or failure of the mission. Although the decision of the main character is not important for the game, these decisions can also affect the outcome of the task. The protagonist must trigger tasks of the task, the task is only one way to perform. The task is fixed difficulty, mode, can not select or change. Although GTA: Liberty City Stories has a long history, the game itself is a pretty good game in terms of freedom, task design, content enrichment, etc. Gta Deputy City Stories Apk and Abb File Download How to Install GTA Deputy City APK Apk + OBB file.
